HAVE YOU GOT 2 TICKS TO GIVE 2 CLICKS?

As you may have noticed, Free World One is our bold new umbrella company at the head of our other projects: The Free World Charter, Freeworlder.com, HonorPay.org and PlayUp Games.

There are some brilliant game-changing ideas out there (including a few that we're currently hatching!) and we want to give them the support and momentum they need to make serious lasting change, but as we all know, that takes funding.

That's why we've taken the bold step of pitching Free World One at VOOM 2018, a competition offering huge exposure and a share of £1 million in funding, run by Richard Branson.

The top of that competition leaderboard is looking very far away but with your help we could scale it in no time!

All you need to do is **click the link below and hit the VOTE button** - that's it, just 2 clicks and you're done.
