

Sick of trawling through the net looking for something to do, and finding nothing?

Banish your boredom for good with the ultimate chat-surf-fun experience, Mingle Time!

Spread your wings and surf the net, play games, start your own blog, work on your personal homepage, and more. Take your buddies with you as you explore the endless possibilities of Mingle Time.

Try it FREE!

But the coolest part of this experience is our visual chat facilities. With over 150 chat rooms there's always new people to talk to. You may even find that special someone! For you adventurous types, you can even make your own chat rooms! Grab your mates and fly off on a virtual tour of your favorite websites, swap files, reflect your inner personality with your own avatars, find your 'other half' with our match-making service, zip straight to where your pals are with the 'Buddy Tracker' tool and so much more!

But what if you are waiting for your friends to join? Meet the ultimate hi-tech companion in our world of visual chat entertainment: our fun and friendly web bot, Arno! He'll welcome you with open arms into the Mingle Time community. Ask him anything, but be nice to him and he'll help make your Mingle experience an exciting and exhilarating one! He has a great sense of humour too and is sure to have you giggling to yourself on a regular basis.

So why choose us? What makes us so special?

Wow, where to start! Ever been chatting with one of your mates using your IM and trying to surf at the same time? It's just impossible. You can only either chat or surf. The flashing of a new message always interrupts your surfing. How frustrating!

What we found lacking in other chat experiences was the ability to do all the fun things you would usually do on the net, but all at the same time! Mingle Time has it all! With our friendly and helpful atmosphere, we guarantee you a great chat-surf-fun experience!

This kind of interactive do-it-all-at-once experience has never been done quite like this. We created it to meet all your internet needs, wants and desires in a family friendly environment. Whenever the world is getting you down, we're here with open arms and a virtual coffee!

That's not all. It's just the tip of the iceberg! The possibilities are endless!
