Take aim at your target and score in this football themed 20 payline game featuring overlay wilds, championship elimination style free spins and penalty bonus rounds!

Spin the reels and line up football themed shields and 10-A symbols for prizes, with the football wilds bouncing in to help make up your winning lines.

Watch out for 2-5 overlay wild symbols appearing at random after any base game spin!

Find 3 or more bonus symbols anywhere on the reels and you'll trigger the penalty bonus game where you'll get to score or save penalties for prizes!

Look out for the trophy on reels 2, 3 and 4: that'll unlock the free spins round and the chance to progress in the championship from the knockout stage all the way to the final!
