THE GAME

SkillOnNet – Developers of a Winning Formula

Established in 2005, it has been our aim to develop the highest quality, best value entertainment for our players, and the most flexible, customisable and user-friendly online gaming platform for our clients.

From our initial success running the 2nd largest online backgammon network, with popularity reaching more than 2,500 players at peak times...

...to rolling out numerous successful online casinos, such as EUcasino, CasinoRedKings and MegaCasino, one after the other, we continuously hit the mark.

It's your turn to experience the winning formula of SkillOnNet.

A selection of SkillOnNet's successful brands

SkillOnNet currently powers XX successful online gaming brands, including:

- ♣ EUcasino (.com and .dk)
- ♣ MegaCasino (.com and .dk)
- ♣ CasinoRedKings (.com and .dk)
- ♣ PlayMillion (.com and .dk)
- ♣ Oxygen9 Casino (888 owned)
- ♣ CauCasino
- ♣ BGroom

See how our 'winning formula' software solution could work for you...

SkillOnNet's Casino Software: What's in it for you?

With your players already thrilled with the software itself, it's much easier for you to maximise their value to you.

SkillOnNet presents a range of backend marketing , management and monitoring options that allows you to do exactly that – quickly and easily:

- ♣ Visual marketing
- ♣ Reward-based marketing
- ♣ Player monitoring and management

Let's take a look at each of these in more detail...

SkillOnNet's Casino Software: Backend – Visual Marketing

Get your message where players will see it with a variety of fully customisable marketing options within the lobby area of the casino software:

♣ Movable box

♣ Flash

♣ Video

♣ Scrolling text

SkillOnNet's Casino Software: Backend – Visual Marketing

You can target your visual marketing according to:

- ♣ Player level
- ♣ Player type
- ♣ Player language
- ♣ Player country
- ♣ Affiliate

...using the intuitive back office system.

SkillOnNet's Casino Software: Backend – Reward-based Marketing

Create incentive for loyalty and continued play with our VIP Loyalty program and customisable bonus system:

- ♣ **Laser-precision marketing:** target your marketing according to one or more of 6 VIP tiers
- ♣ **Targeted bonuses:** target bonus offers by player level or type, or game application or type
- ♣ **Customisable bonuses:** choose from Cashable, Non-cashable or Cash
- ♣ **Also supports** coupon/non-deposit bonuses

SkillOnNet's Casino Software: Backend – Player monitoring and management

Keep an eye on players of interest with a range of monitoring and managements tools:

- ♣ **Total player control:** choose auto or manual VIP level upgrade/downgrade, communicate with players via online chat
- ♣ **Minimise risk:** track activity with financial and game reporting functions
- ♣ **Transaction tracking:** keep your eyes on money movements including deposits, declines, withdrawal requests and bonus use

SkillOnNet's Casino Software: What else?

Some other options that are available to you:

- ♣ Integration of 3rd party games
- ♣ Ability to support single wallet payments
- ♣ Third party payment method integration
- ♣ CRM
- ♣ Full customer services solution
- ♣ Licensing

...and much more.
